#### NEW THIS FALL:

We now require payment arrangements to be made at Fall Registration for the **entire dance year**. If your dancer does not attend second term, you are responsible for notifying the administration office - **not the teacher** – so that your credit card payments or post-dated cheques will not continue to be debited or deposited. As in previous years, tuition may be paid in full upon registration by cash, cheque, Visa, MasterCard or AmEx, or may be divided into instalments by post-dated cheques or credit card. Please note that all post-dated payments must be submitted on the date you register. Cash instalments will not be accepted after 'In-Person' Fall Registration. However, we will accept money orders if mailed directly to the administration office. NSF cheques and invalid or expired credit cards will be subject to a \$25 NSF/administrative fee.

This year all fees and forms must be submitted by mail or in-person to the administration office; **teachers will no longer be accepting forms or payment.**

Changes regarding class placement must be done through the administration office to ensure your bill is adjusted accurately.
